Dear Chris,

I want to say a big thank you to you for the help you have given me with my Professional Indemnity cover.

You clearly explained the insurance process to me and took the time to properly assess my risk, resulting in a value for money policy that gives me exactly what I needed.

When I needed to increase the level of cover due to the increased business I am receiving through BNI you were able to secure the increased cover at no extra cost.

I would have no hesitation in recommending your Company to my clients and friends and look forward to passing you lots of referrals going forward.

Yours Sincerely,

Michael Jones
